Energy in Buildings & Hotels - Cyprus

Saturday June 8, 2019

Atlantica Miramare Hotel

#	Anthi Charalambous Chemical Engineer, MSc Environmental Engineering, MBA, P.Dip. Renewables & Energy Management	
Title:	Head of Energy & Environment Cyprus Employers and Industrialists Federation (OEB)	
email:	acharalambous@oeb.org.cy	•
Presentation title:	Energy Consumption in the Tertiary & Industrial Sectors in Cyprus	
<p>The Energy & Environment Department of OEB has carried out a study that involved visits and surveys to more than 70 enterprises from the tertiary and industrial sectors in Cyprus. The results of this study are associated with the type of energy consumption, demand and fuel type in several sectors e.g. pharmaceutical, hotels, shops and restaurants etc. The presentation will provide a comprehensive overview of the energy consumption and demand in several subsectors of the tertiary & industrial sectors in Cyprus</p>		
Short CV:		
<p>Mrs Anthi Charalambous is a Chemical Engineer, graduated of the National Technical University of Athens (NTUA), with specialization in Environmental Engineering (MSc), holds a Masters in Business Administration (MBA) and P.Dip. in Renewable Energy and Energy Management. She has been working for 22 years in the fields of environment, renewables and energy efficiency.</p>		
CV:		
<p>Mrs Anthi Charalambous is a Chemical Engineer, graduated of the National Technical University of Athens (NTUA), with specialization in Environmental Engineering (MSc), holds a Masters in Business Administration (MBA) and P.Dip. in Renewable Energy and Energy Management. At the beginning of her career (1997) she worked abroad in environmental projects, environmental impact assessment studies, in the management and processing of liquid and solid wastes and in designing biomass to energy plants. In 2001 she started working in the field of renewable energy and energy saving in the Cyprus Institute of Energy and in 2004 she was appointed as Energy Attaché, in the Permanent Representation of Cyprus to the EU in Brussels. In 2007 she joined the European Commission's Directorate-General for Energy (DG ENER) at renewable energy technologies Unit. For the period 2009 – 2016 she was the Director of the Cyprus Energy Agency. From this position besides the establishment, operation and growth of the Cyprus Energy Agency, she managed 24 EU funded projects on renewable energy, energy efficiency and climate actions. She participated in many conferences in Cyprus and abroad as invited speaker. She was elected Secretary of the Cyprus Association of Chemical Engineers for the period 2010-2012 and a member of the Committee on Energy Policy in the Scientific and Technical Chamber of Cyprus (ETEK) for the period 2009-2014. She joined the workforce of OEB in October 2016 as the Head of Energy & Environment Department.</p>
