CV:		
<p>After my university degree I have been working as a Consultant Engineer at J.E.P.A during the Athens pre-Olympic Games and a few years after that (2002-2006). I then followed the Design-Project specification and Pre Sales Tech support at Menerga GmbH.</p> <p>During all those years, I have been a member of ASHRAE and the past few years a member of the BOD of ASHRAE Hellenic Chapter</p>
