ENERGY in BUILDINGS 2019
Saturday September 28, 2019
Athens, Hellas

#	Christina Skandali Dipl. Architect Engineer, MSc Light & Lighting	
Title:	Adjunct Professor Hellenic Open University	
email:	skandali.christina@ac.eap.gr	•
Presentation title:	Lighting Workshop: Architectural Lighting Design Principles	
<p>The workshop was held within the framework of the International Day of Light 2019 (UNESCO), organized by the MA Lighting Design, of the Hellenic Open University and the Association of Greek Architects SADAS-PEA (Attica branch). The workshop took place in the building of the Technical Chamber of Greece on the 17th of May 2019 and the participants were mainly architects, members of the TCG.</p> <p>The aim of the workshop was to bring the participants into contact with an Architectural Lighting Study and the main principles of Lighting Design.</p>		
CV:	<p>Christina N. Skandali is an Adjunct Professor at the Lighting Design MA, School of Applied Arts at the Hellenic Open University (HOU) and also practices as Architect and Lighting Consultant in Thessaloniki, Greece.</p> <p>She has teaching experience in the field of lighting design and she has been trained from HOU at the 'open and distant learning'. At the same time she follows academic researches focusing on architectural lighting, new technologies and energy saving. She participates in conferences, seminars and academic studies, while through the course that she is teaching "Lighting Technology and Connection with Production" she organizes lectures by external professionals, workshops and site visits.</p> <p>She has also many years of experience in the field of Architectural Lighting and Energy Consultancy; she has worked both in the UK and Greece and has participated in many projects both in Greece and abroad.</p> <p>She has participated at the writing of SSLD Lighting Systems in Schools (UK, 2007), in a couple of lighting magazine publications (BSD & Mondo Arc, 2009), exhibition publications of the Museum of Byzantine Culture (2012), Ashrae lighting poster session (2017), ICCAUA conference proceedings (2018), BLJ 2019 and others.</p> <p>She is a Member of the Society of Light and Lighting (MSLL, CIBSE), Member of the Greek Architectural Association and the Technical Chamber of Greece (TEE).</p>
